GC§ 54957.5 states that public records that relate to any item on the open session agenda for a regular board meeting are available for public inspection. Those records that are distributed less than 72 hours prior to the meeting are available for public inspection at the same time they are distributed to all members, or a majority of the members of the Board. The Board has designated the Portola Valley School District Office at 4575 Alpine Road, for the purpose of making those public records available for inspection.

Members of the public may view the documents on the District’s internet website, at: www.pvsd.net and clicking on DISTRICT, and navigating to the Governing Board link.
