

# PARENTS:

Children need more shots  
before they can begin kindergarten.

They should have:

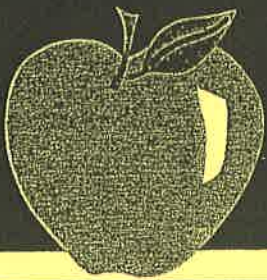

5 DTaP shots

4 Polio

3 Hep B

2 MMR\*

1 Chickenpox

\*Both must be after 1st birthday.

See your child's doctor now to make  
sure your child's immunization  
record has dates for these shots. We  
will need to see this Immunization  
record to register your child.
