Dear Parents / Guardian:

During the year, either through regular school transportation or field trips, almost every student rides a school bus. The attached information contains the rules, procedures, consequences, and guidelines for riding the Sequoia Union High School District's buses.

We ask that you discuss the School Bus Rules and COVID-19 Bus Procedures with your child and set your expectations for them. The principal and/or teacher will also review them with the students. We are hoping, with your cooperation and support, that every student will have a safe and comfortable ride to and from school and on field trips.

After reviewing this packet, please discuss bus rules, procedures, new COVID-19 Bus Procedures, consequences and guidelines with your children. Complete and return the School Bus Transportation Registration Form to the transportation department at 1090 Mills Way Redwood City, CA 94063. **It is very important that your child have this form completed and turned in no later than the first day of school.**

Sequoia Union High School District will continue requiring students to have student identification (ID) badge to board the school bus. All routes will be posted on the transportation's website. www.seq.org

The designated stops will be at the elementary school in your neighborhood. The following elementary schools are the designated drop off and pick up points:

If you should have any questions or problems with school bus transportation, contact the Transportation Department at (650) 306-8875.

Thank you for your cooperation, and we are looking forward to transporting your child on the school bus.

Sincerely,

Dewrell Wesley,
Director of Transportation

**ALL STUDENTS MUST RETURN THIS SIGNED SLIP TO THEIR

I have discussed the bus rules, procedures, COVID-19 Procedures, consequences, and guidelines with my son/daughter.
